

Okidoki

Specification Guide

Okidoki

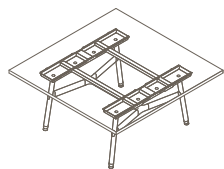

Who says you can't mix
business with pleasure?

Okidoki could be
brightening the office
one day, then bringing
its casual cool to your
home the next. In any
environment, its cheeky
personality is always
on display.

Okidoki

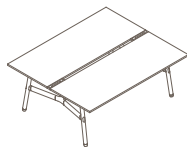

Multi-Leg Tables

5 – 15

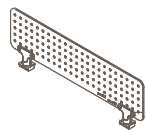

Workstation

16 - 22

Acccesories

23 – 27

A detailed line drawing of a mechanical assembly, possibly a piece of industrial machinery or a vehicle component. The drawing shows a complex arrangement of beams, plates, and structural supports. A long horizontal beam runs across the upper portion of the image. Below it, there are several vertical and angled supports. On the right side, there is a rectangular frame-like structure. The word "Okidoki" is overlaid in the center in a large, bold, sans-serif font.

Okidoki

Multi-Leg Finishes

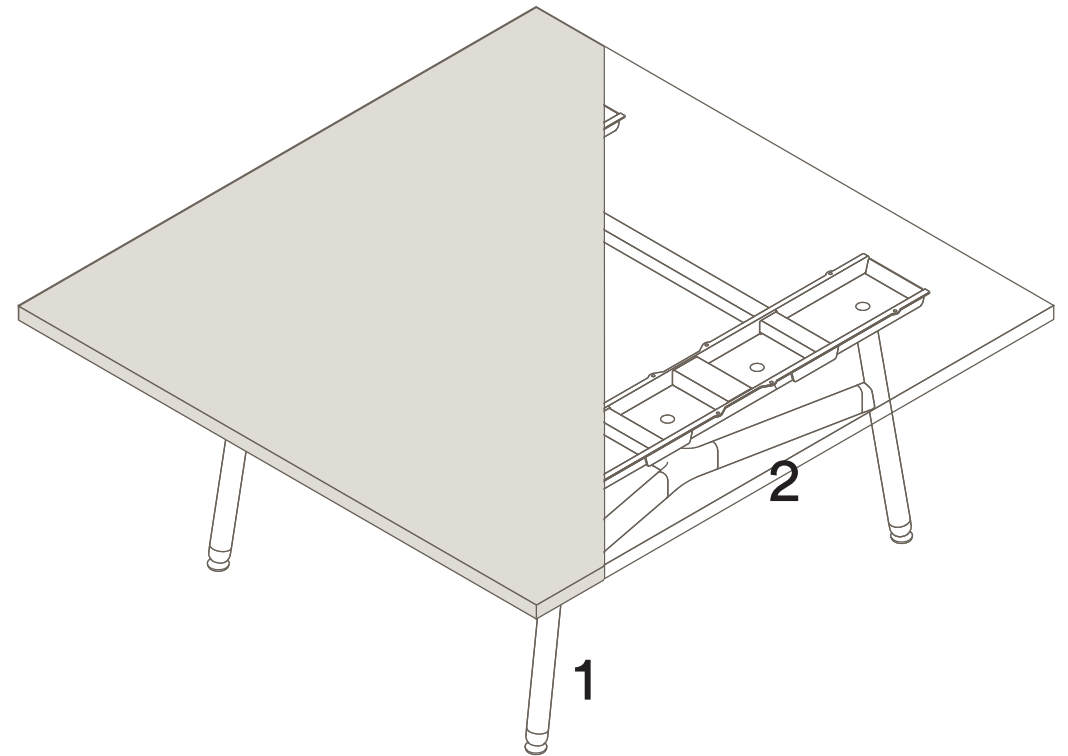

1. Legs

Our legs are all made from Timber. Ash comes as standard. We offer premium finishes of Solid Walnut and solid colour with exposed timber grain in our seasonal colours.

2. Frame Finishes

Okidoki steel and aluminium frame is available in our current season powdercoat colours listed and plating options. Custom colours are also available.

Colours are representative only, please check with your Thinking Works consultant to view samples of any specific colour.
