

EONA Chilli

Specification Guide

EONA Chilli

Stylish and sustainable,
EONA brings a new lease
of life.

Part of the EONA
modular table system
family, EONA Chilli is
manufactured from
post-consumer recycled
materials, for outstanding
environmental credentials
without compromising on
stunning design.

EONA Chilli

Table Finishes

EONA Chilli's timeless appeal makes it an eye-catching solution for the boardroom, conference or meeting room. Like the rest of its environmentally-friendly family, Chilli has been designed for 100% disassembly, making it ready for recycling.

1. Frame Finishes

Supported by steel framework, EONA Chilli legs are made from 100% post-consumer recycled aluminium, polished as standard. EONA Chilli is also available in our current season powdercoat colours listed. Custom colours are also available.

Colours are representative only, please check with your Thinking Works consultant to view samples of any specific colour.
