A minimalist line drawing of a spiral-bound notebook. The notebook is shown from a three-quarter perspective, highlighting its rounded corners and the spiral binding on the left side. The word "Seamless" is printed in a large, bold, sans-serif font across the center of the notebook's cover. The entire illustration is composed of thin, dark lines on a plain white background.

Seamless

Data Module Finishes

1. Lid (To Match Worktop)

Specification

If you would like a sample set of any of our finishes, please call us on 61 (0)2 9726 7177 or e-mail at sales@thinkingw.com.

Due to our policy of continuous product development, specifications and finishes may change without prior notice.

Sustainability Policy

We realise the importance of responsible business practices and have in place numerous product and company sustainability certifications. We would encourage you to download our annual Sustainability Report from the Thinking Works website to get a full overview of our sustainability program.
