Thinking Works

C.ME

Furniture for the Curious.

C.ME

Clever by design.
Simple to use.

The C.ME Monitor Arm combines clean design with clever functionality for flexible, ergonomic monitor support.

Patented by Thinking Works, C.ME features an easy push-button height adjustment, quick-release VESA mounting, 90° screen rotation and discreet cable management.

Available as a single, dual, triple or quad arm, C.ME is designed to evolve with your workspace.

A single arm can be upgraded with an additional arm, avoiding the need to replace the entire support post.

01 Detachable VESA plate design enables easy installation.

02 Easily adjustable arm tension.

03 Cable management for clutter free appearance.

04 Height adjustable with push-button mechanism.

05 180° rotatable arm to allow for ergonomic positioning.

06 Free-titling design for adjustable viewing angles.

07 Easy install with a desk clamp and bolt-through option.

An easy and safe push-button mechanism allows the monitor to be adjusted from a seated position. It features quick release 90-degree portrait to landscape screen rotation with secure fastening. Discreet, effective cable management.

Bolt-through and desk-clamp mounting options are included as standard, with 360° rotation around the post for added flexibility.

Available in White and Black, C.ME supports up to 8 kg per arm and is part of the Thinking Works OTS range, with a typical 5-day lead time across Australia.

Accessories:
Laptop Tray and Rotation Limiter Kit.
