

Jojo

Specification Guide

Jojo

The Ultimate Flexible Table Solution.

The Jojo Electric Folding Table combines the ergonomic benefits of height adjustable desking with the mobility of a folding frame.

Jojo uses a rechargeable battery to activate height adjustment, which promotes agility within the workplace.

Jojo

Jojo Finishes

1. Frame Powdercoat

Warranty

Electric Frame 10yrs
Electrical Components 5yrs

Country of Origin

Australia

For additional Technical Information, please check with your local Thinking Works consultant.

Worktop screws are supplied for securing the tabletop to the table base. They are provided as a general recommendation and must be assessed for compatibility with the specific tabletop substrate material and thickness. It is the responsibility of the installation team to determine whether the supplied screws are suitable or should be replaced with fasteners more suitable for the specified worktop substrate and thickness.
