

Bambusa Stix

Specification Guide

Bambusa Stix

Inspired by natural and timeless building techniques to support a modern work environment.

A design led desk and table system inspired by the honest and simplistic construction of bamboo scaffolding. Stix uses extrusions, die castings and steel tubular profiles to create its unique style.

Bambusa Stix

Accessories

15 – 27

A line drawing of a desk with an adjustable stand. The stand is made of bamboo and has a vertical pole with a horizontal bar that can be moved up and down. The desk is shown from a side-on perspective, with the stand attached to the underside. The text "Bambusa Stix" is written in a bold, sans-serif font across the middle of the image.

Bambusa Stix

Bambusa Stix Finishes

1. Frame Powdercoat

Stix steel and aluminium frame is available in Noir and Blanc powdercoat.

2. Cable Tray

Our cable management tray is available in Noir and Blanc powdercoat.

3. Acoustic Screen

Our unique Stix screen is available in Dark Grey and Light Grey acoustic panel. Screen mounts are finished in Noir and Blanc powdercoat.

4. Framed Acoustic Screen

Stix framed screen is available in Dark Grey and Light Grey acoustic panel or upholstered with customer supplied fabric. The aluminium frame is finished in Noir and Blanc powdercoat.

Colours are representative only, please check with your Thinking Works consultant to view samples of any specific colour.

Electric Safety Features

Impact Stop

- Impact Stop system minimises damage to Electric Height Adjustable frames from contact with objects obstructing the path of movement
- Impact Stop initiates while frame is lowering or raising, when 1 second of resistance from an obstruction is detected.
- When resistance is detected, desk will automatically stop then move 50mm in opposite direction in order to clear obstruction.

Specification

If you would like a sample set of any of our finishes, please call us on 61 (0)2 9726 7177 or e-mail at sales@thinkingw.com.

Due to our policy of continuous product development, specifications and finishes may change without prior notice.

Sustainability Policy

We realise the importance of responsible business practices and have in place numerous product and company sustainability certifications. We would encourage you to download our annual Sustainability Report from the Thinking Works website to get a full overview of our sustainability program.
