

Butterfly

Furniture for the Curious

Butterfly

A modular, agile screen designed for use with our folding tables.

Butterfly offers privacy solutions for flexible desk arrangements, available in both fabric upholstered and acoustic PET options.

With its advanced folding mechanism and retention system, this innovative product enables discreet screen storage without compromising functionality in dynamic workspaces.

- 01

Screen Panel - available in 24mm PET acoustic panel
- 02

Screen Panel - available with our patented fabric upholstered panel
- 03

Screen Panel - available with side returns in 12mm PET acoustic panel
- 04

Screen Mounts - The Butterfly screen system features our innovative selflocking mechanism that ensures the screen remains securely upright, eliminating the risk of the screen accidentally falling forward. Unlocking is simple - just press the push button located at the back of the worktop edge, and effortlessly collapse the Butterfly screen flat against the worktop
- 05

Stretch Loops - The Butterfly screen is designed with user-friendly stretch loops that make securing it against the folding table worktop a breeze. The stretch loops are conveniently hidden underneath the worktop while the screen is in use.

Butterfly Screens are designed to be disassembled at the end of the product life and split up in the recycling streams of each material.

Butterfly

A modular, agile screen designed for use with our folding tables.

Sustainability Policy

We realise the importance of responsible business practices and have in place numerous product and company sustainability certifications. We would encourage you to download our annual Sustainability Report from the ThinkingWorks website to get a full overview of our sustainability program.
