

Disc Base Juno

Disc Base Juno

Discover the Detail.

A refined take on an office staple, Disc Base Juno cuts a sleek silhouette in the modern-day office. Juno's sophisticated details include a streamlined slimmer column, which extends from a stylish raised 'mini-disc'.

Disc Base Juno has been designed with customisation in mind - mix and match finishes across the column, mini-disc and disc base to curate your desired aesthetic.

The Disc Base Juno range provides high quality bases for coffee tables, small meeting tables and high-top tables. The range coordinates well with breakout and acoustic seating in activity based work environments.
