Thinking Works

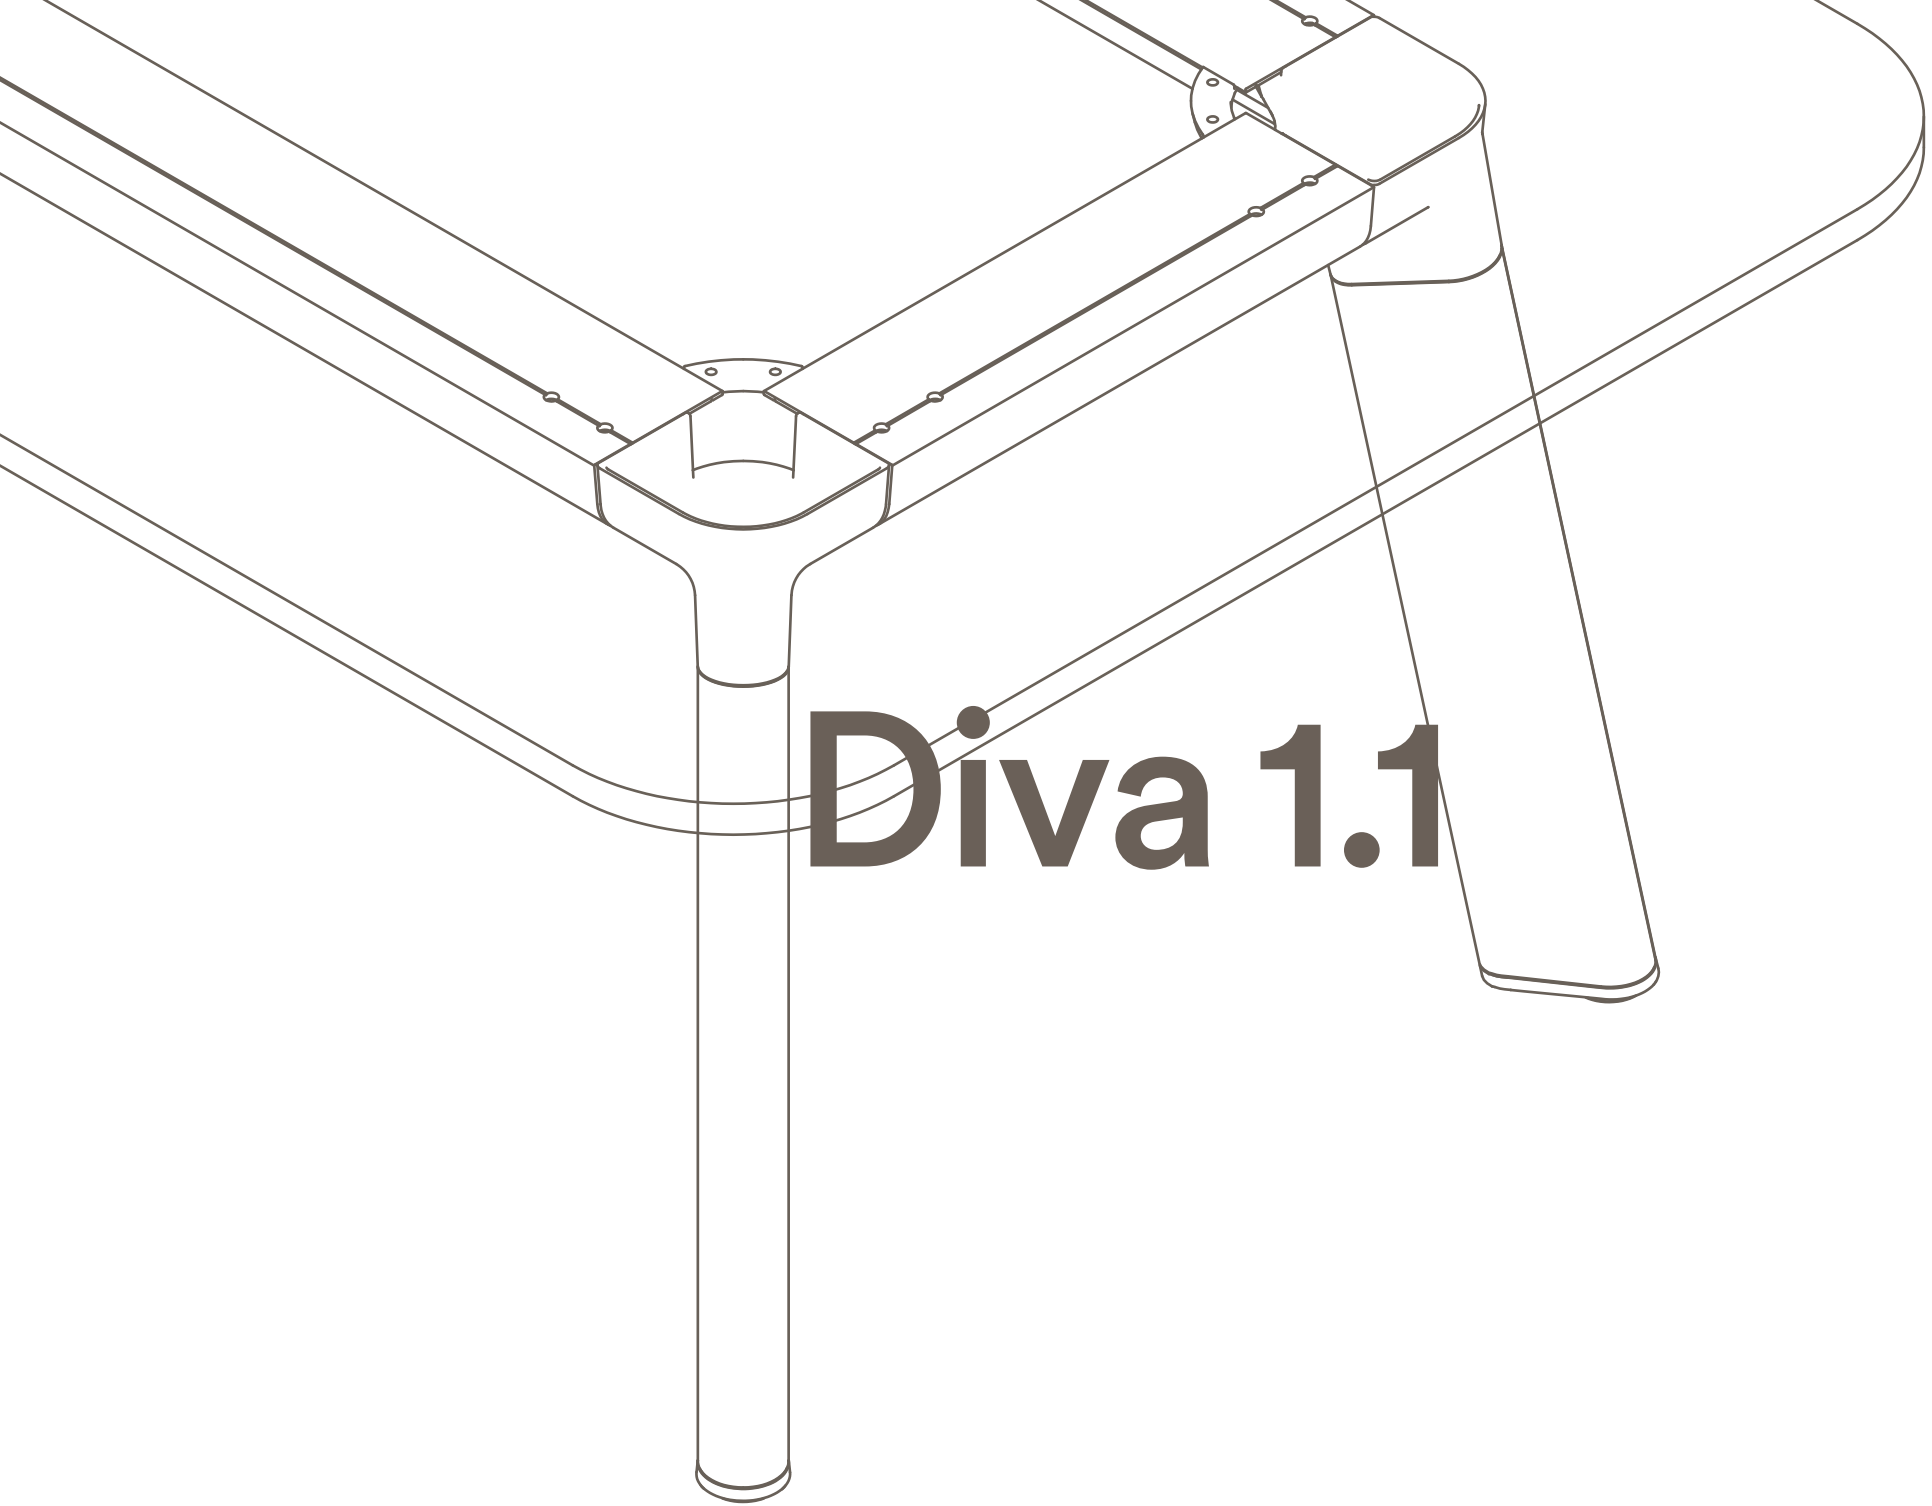
Diva 1.1

Specification Guide

Diva 1.1

There’s more than meets the eye.

Go beyond the striking wooden exterior and discover a host of ingenious design elements, each cleverly concealed within the solid timber build and die cast aluminium features.



Diva 1.1

Diva 1.1
Finishes

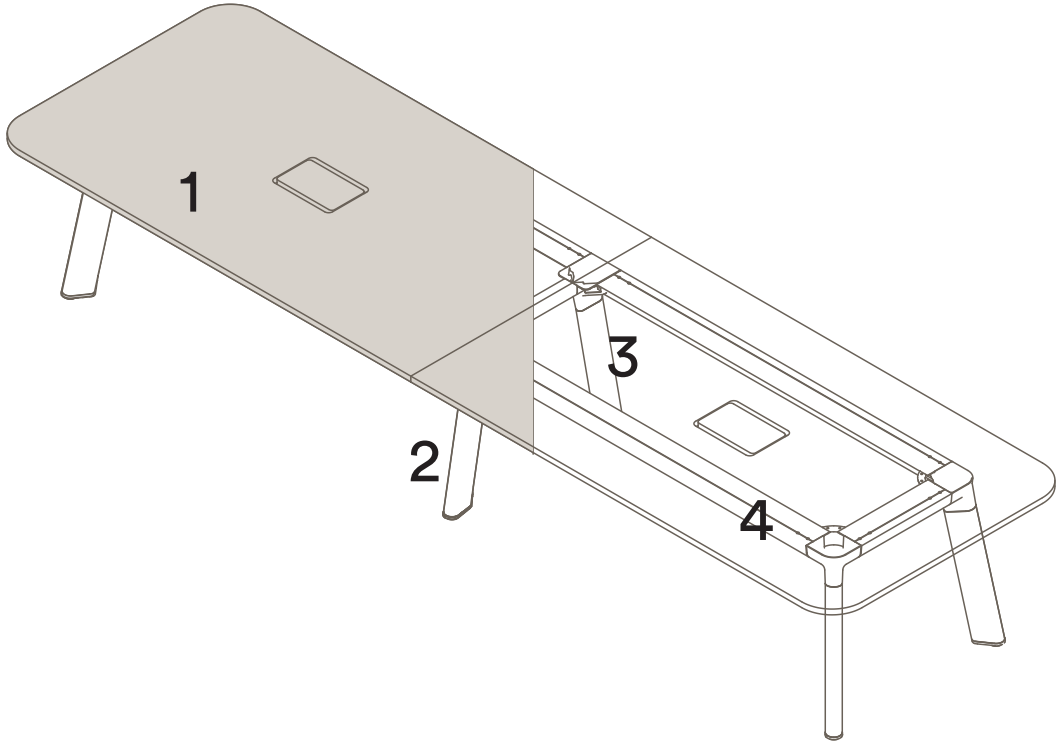
Commanding attention yet yielding to workplace practicalities,
Diva 1.1 blends style and substance with ease, offering a range of finishes
and configurations to suit any office space.

1. Legs

Diva 1.1 legs are made from Timber. Ash comes as standard. We offer premium finishes of Solid Walnut and solid colour with exposed timber grain in Black or White.

2. Frame Finishes

Diva 1.1 aluminium frame is available in our current season powdercoat colours listed. Custom colours are also available.



Colours are representative only, please check with your Thinking Works consultant to view samples of any specific colour.

Materials Information

Seamless Powerbox
Steel Powerbox Chassis

a. Black Powdercoat

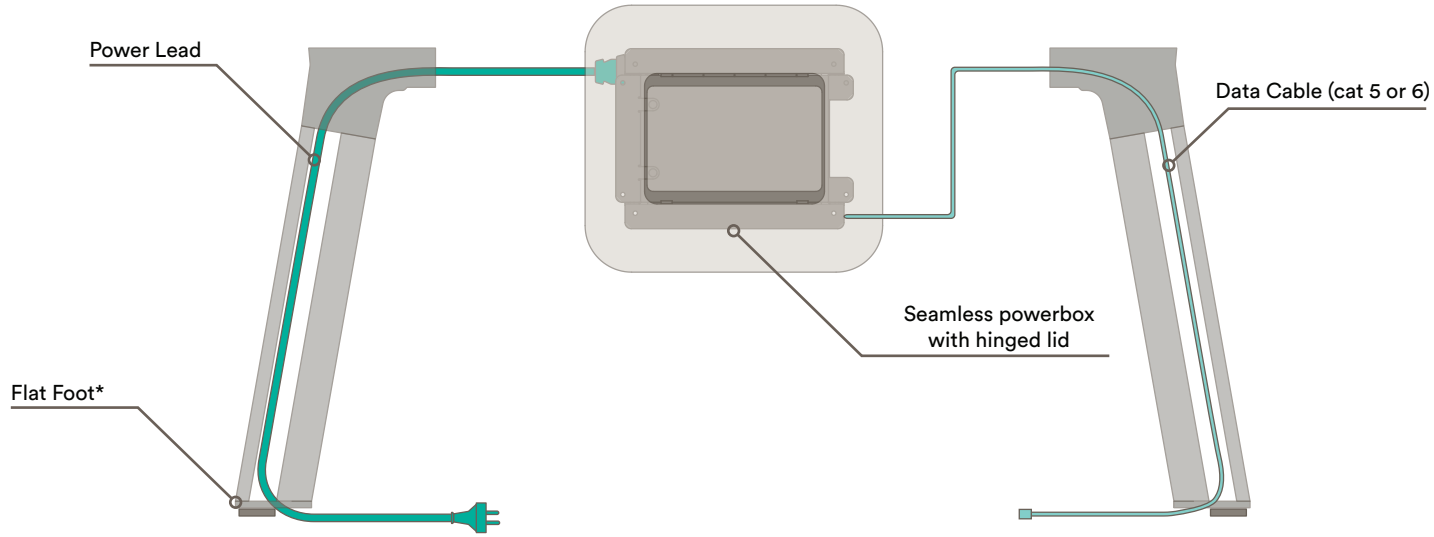
Cable reticulation is possible via a pathway through the timber leg to run power or data cables from Seamless box to floor. 42 × 29mm channel allows for softwiring plugs to be fed through timber leg.

Cable Capacity
Segregated
2x 12mm 20amp Power Cable
or
4x 6mm Cat 5 and 6 Data Cable

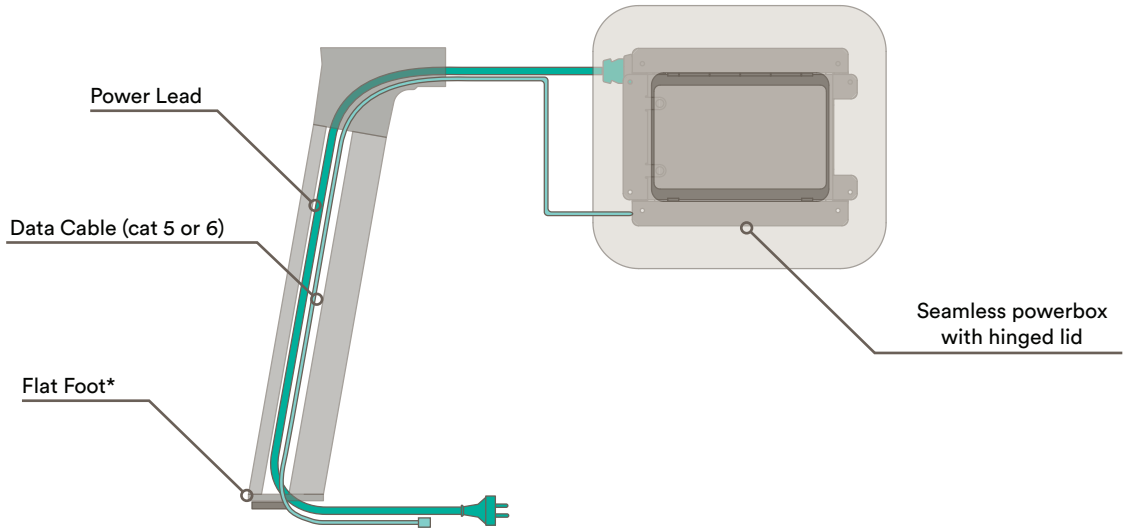
Unsegregated
1x 12mm 20amp Power Cable
2x 6mm Cat 5 and 6 Data Cable

*Flat Foot needs to be removed to feed cables and refitted once cables are installed.

Cable Management In-Leg Power + Data (Segregated)



Cable Management In-Leg Power + Data (Unsegregated)



Specification

If you would like a sample set of any of our finishes, please call us on 61 (0)2 9726 7177 or e-mail at sales@thinkingw.com.

Due to our policy of continuous product development, specifications and finishes may change without prior notice.

Sustainability Policy

We realise the importance of responsible business practices and have in place numerous product and company sustainability certifications. We would encourage you to download our annual Sustainability Report from the Thinking Works website to get a full overview of our sustainability program.
