

Rosie

Specification Guide

Rosie

A Modular System Designed For Collaboration.

Whether it's a formal staff meeting or a quick catch up over coffee, Rosie's range of accessories and modular components provide the flexibility to suit any environment.

Available in three heights and with the option to add castors, Rosie is just as at home in the centre of a crucial brainstorming session as it is for a casual 1:1 meeting.

Rosie

Tables Finishes

1. Standard Finishes

Rosie legs and frame, made from steel and aluminium, are available in Blanc and Noir.

2. Premium Leg Finishes

We offer premium Rosie leg finishes in our current season powder coat colours.

Colours are representative only, please check with your Thinking Works consultant to view samples of any specific colour and confirm availability in your country/region. Please note that pricing will vary based on your selected finish.

Specification

If you would like a sample set of any of our finishes, please call us on 61 (0)2 9726 7177 or e-mail at sales@thinkingw.com.

Due to our policy of continuous product development, specifications and finishes may change without prior notice.

Sustainability Policy

We realise the importance of responsible business practices and have in place numerous product and company sustainability certifications. We would encourage you to download our annual Sustainability Report from the Thinking Works website to get a full overview of our sustainability program.
