

Silo

Furniture for the Curious

Silo

Endless possibilities.

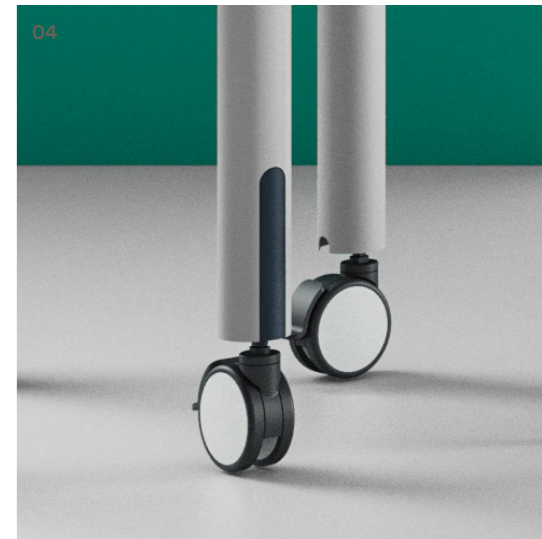

Based on a proven and reliable table system, Silo provides unlimited table configurations that is easy to assemble yet extremely sturdy.

Silo features sleek leg cap details against cylindrical steel legs which can either add contrast to the frame, or match for a more subtle effect.

- 01 Silo table system offers unlimited configurations and a mixture of finishes
- 02 Subtle cable management cut out allowing cables to run down the table leg.
- 03 Sleek footrail option available for all standing height frames
- 04 Castor feet for mobility
- 05 Sleek shin guard offer the ability to add contrasting colours

The Silo Mezzanine Frame provides a seamless transition from seated to standing heights, with the option to add a modesty panel and footrail between levels.

The curved leg cap detail adds to Silo's sleek aesthetic, while the subtle cable management cut-out detail at the rear of the foot increases functionality.
