

Vader

Furniture for the Curious

Vader

Monitor Arm System.

The Vader Monitor Arm offers improved work efficiency, increasing desk space and comfort. The advanced gas spring mechanism provides fluid movement, while built-in rotation limits offer protection for desks with privacy panels.

Vader's shorter front arm design offers improved work efficiency, increasing desk space and comfort. A detachable VESA plate enables quick monitor installation while the cable management hides wiring for a clutter-free appearance.

Thinking Works Cleverness

- An advanced gas spring mechanism provides fluid movement
- Quick release with 90-degree portrait to landscape screen rotation and secure fastening option
- Detachable VESA plate enables easy installation
- Built-in spring tension gauge for perfect weight adjustments
- Built-in cable management for an organized and neat workspace
- Gas spring perfectly counterbalances the weight of your monitor
- Freely adjusting height for an optimal ergonomic position
- Free-Tilting design for multiple monitor viewing angles
- Built-in rotation limiter protects screen upholstery
- Bolt through or desk clamp mounting included as standard

Accessories
Vader is available with a laptop tray. The laptop tray includes an adjustable laptop clamp to ensure maximum stability.

Vader Monitor Arm comes pre-assembled in carton for easy installation.

Vader

Monitor Arm System.

The Vader Monitor Arm is made to the highest quality standards and combines a range of innovative features.

Sustainability Policy

We realise the importance of responsible business practices and have in place numerous product and company sustainability certifications. We would encourage you to download our annual Sustainability Report from the Thinking Works website to get a full overview of our sustainability program.
